MIDNIGHT IN THE GARDEN OF GOOD AND
EVIL. Paperback

This non fiction book reads like fiction. He met some wild characters, including a man who was accused of murder, a voodoo priestess, a crazy drag queen, and of course the old families whose eccentricities and social niceties have to be read to be believed. I thought it was a good read, although a bit slow to get into as he weaves his story and characters together.

Midnight in the Garden of Good and Evil is a quirky book with quirky characters and quirky events. Some of it sounds like fiction but I am told that it is all true. For the sake of discussion, let us say it is nonfiction as claimed. This would then be a case where Truth is stranger than fiction.
