[Colors for Kids: Teaching Colors to Children | Munsell ...](#)

Children usually learn about color during their preschool years. The ability to identify colors is considered a marker and milestone in a child's cognitive process and is often part of early screening for development and educational admittance.

[14 Children's Picture Books Exploring Race and Racism ...](#)

Studies show that children can learn racially-biased behaviors as young as three and learn to categorize people by race (non-verbally) at as young as six months. Yet we're often reluctant to talk about race, or we pretend that being color blind is the least harmful choice.
