Global Political Economy by Theodore H. Cohn (ebook)

Praised for its authoritative coverage, *Global Political Economy* places the study of IPE in its broadest theoretical context. This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the connections between key issue areas like trade and development.

Analyzing the Global Political Economy - UNTAG matter, political economy has always been part of global relations. But as a distinct scholarly domain, surprisingly enough, IPE was born just a few decades ago.
