Half the Sky is a passionate and persuasive plea to all of us to rise up and say No more! to the 17th-century abuses to girls and women in the 21st-century world. This is a book that will pierce your heart and arouse your conscience. It is a powerful piece of journalism by two masters of the craft who are tireless in their pursuit of one of the most shameful conditions of our time.

For the author, the how in Half The Sky was the reason to write the book. Each chapter features the story of one woman, or several, who has overcome incredible oppression to rebound and dedicate their lives to helping other women as well. Then there are suggestions for What You Can Do Right Now To Help. I like that. Sometimes the only thing that seems to get people's attention is
