I operated a murder mystery theater before I developed the Dinner and a Murder game system. I know how important it is to be able to have easy to follow instructions. The night of the party, the last thing a host/ess needs is to have to scramble around trying to run the game, while making sure all the guests are happy, food is served and cleaning up. You get my point. A good game will have

[How to Host a Murder Mystery Dinner Party - The Spruce](#)

The way most murder mystery dinners usually work is that prior to the party, the host purchases a murder mystery party kit. The kit includes a story about a murder, which usually occurs either during the course of the dinner or before the party even begins. The guests are cast as a character and together (or separately), the task is to solve the mystery. There are a specific number of characters in the story to match the size of your group, with background information, costume instructions
