Reports | Human Development Reports

The Tanzania Human Development Report (THDR) 2017 Social Policy in the Context of Economic Transformation in Tanzania builds on the ideas put forward by THDR 2014. In recent years, Tanzania's approach to economic development has placed renewed emphasis upon the importance of economic transformation in driving poverty reduction and prosperity. The term economic transformation

About Human Development | Human Development Reports

Human development or the human development approach - is about expanding the richness of human life, rather than simply the richness of the economy in which human beings live. It is an approach that is focused on people and their opportunities and choices.

Human Development Index - Official Site

The Human Development Index (HDI) is a summary measure of average achievement in key dimensions of human development: a long and healthy life, being knowledgeable and have a decent standard of living. The HDI is the geometric mean of normalized indices for each of the three dimensions.
