Tag: system administration Great score! Posted on January 15, 2016 January 16, 2016 by admin. Scored HP ProLiant DL385 G6 for 100 . Easily worth 200 . It only appears to have some problems with one of the Broadcom chips and cannot PXE boot from those, nor is Linux able to configure them. lspci shows the two NICs/devices but they do not appear in system. But that s a small problem
