The analysis provides a new and more nuanced understanding of the complex relation between multiculturalism and social cohesion, challenging uncritically optimistic or pessimistic views. Ethnic community ties facilitate some aspects of social integration, while discouraging others. For racial minorities, relations within and outside minority communities are greatly complicated by more frequent

Multiculturalism's impact on education. Some examples of how multiculturalism has affected the social and political spheres are found in revisions of curricula, particularly in Europe and North America, and the expansion of the Western literary and other canons that began during the last quarter of the 20th century.

#### **Multiculturalism - Wikipedia**

Multiculturalism is seen by its supporters as a fairer system that allows people to truly express who they are within a society, that is more tolerant and that adapts better to social issues. They argue that culture is not one definable thing based on one race or religion, but rather the result of multiple factors that change as the world changes.
