Native American Flute - Flute Keys

Flute Keys. Since Native American flutes do not have keys or mechanisms to extend the reach of the fingers, these flutes tend to be difficult to play for people with a small finger reach. Native American flutes at the low end of the baritone range often are "side-blown" so that the arms can reach the finger holes.

Native American Flute Keys - Cedar Flutes

On this page you can find links to sound files of the different keys of the Native American flute. Just click on the link of the key you wish to hear to get an MP3 file of a flute in that key. Just click on the link of the key you wish to hear to get an MP3 file of a flute in that key.

Native American Flute Keys, Fingering, and Scales

NATIVE AMERICAN FLUTE KEYS, FINGERINGS, AND SCALES . On the chart below, find your flute's key in the leftmost column. This is the lowest note it can play, termed its root. Your flute should be able to play each note in the row to the right, which represents a chromatic scale. Some fingerings are difficult, however, and are played with partially-covered holes. (Depending on its construction
