[2008 Financial Crisis: Causes, Costs, Could It Reoccur](#)  
The 2008 financial crisis is the worst economic disaster  
since the Great Depression. Unless you understand its true  
causes, it could happen again.

[2007 Financial Crisis : Explanation, Causes, Timeline](#)  
The 2007 financial crisis is the breakdown of trust that  
occurred between banks the year before the 2008 financial  
crisis. It was caused by the subprime mortgage crisis,  
which itself was caused by the unregulated use of  
derivatives.

[A history of the past 40 years in financial crises | All ...](#)  
Financial crises have been an unfortunate part of the  
industry since its beginnings. Bankers and financiers  
readily admit that in a business so large, so global and so  
complex, it is naive to think such events can ever be  
avoided. A look at a number of financial crises over the  
last 30 years suggests a high degree of commonality:  
excessive exuberance, poor regulatory oversight, dodgy

#### **The Greek Financial Crisis (2009-2016) - Financial ...**

The Greek financial crisis was a series of debt crises that began with the global financial crisis of 2008. Its source originated in the mismanagement of the Greek economy and of government finances, however, rather than exogenous international factors.

#### **The WSJ adds another Narrative on the Financial Crisis ...**

Greenberg's Starr International Co., AIG's largest shareholder when the financial crisis struck, sued the government, calling its assumption of 80 percent of the insurer's stock an unconstitutional taking of property that requires at least \$25 billion in compensation.

#### **Can We Prevent Financial Crises? - World Bank**

The Global Financial Development Report 2013 reviews recent successes and failures of the state as a regulator and supervisor. During the 2008 financial crisis, many developing economies had limited exposure to the risky behaviors that precipitated the meltdown, and most averted outright distress, including Malaysia and Peru, both of which were praised for their prudent policies. Nonetheless
