Smiles to Go by Jerry Spinelli

Smiles to go by Jerry Spinelli was in my opinion a very good book. The main character Will Tuppence is in 9th grade about to go into 10th. Will's two best friends are named BT. BT is a laid back kind of guy which is the complete oposite of Will. Will has a little sister named Tabitha Tuppence and he dispises her in every way. Tabitha looks up to BT and whatever he does she will follow. One day

Smiles to Go - Wikipedia

Smiles to Go is a 2008 young adult novel by Jerry Spinelli.

Plot. The novel begins with a short prologue in which Will, on a visit to an eccentric neighbor, learns about protons, a microscopic particle of matter which, the neighbor tells him, is the indestructible building block of all matter. The impressionable Will wonders whether, because he is matter, he too is indestructible, narration

Smiles to Go book by Jerry Spinelli

In Jerry Spinelli's Smiles to Go, 15-year old Will Tuppence is a break from many young adult protagonists in being not at risk, not struggling in school or with making friends, not in conflict with rules or authority, no troubled home life or unorthodox parenting, or many of the other troubles associated with adolescence.
