Flavored Water! Good Or Bad? MyFitnessPal.com

Flavored water almost always tastes artificial or odd to me. I dunno, maybe my taste buds are weird but I don't like most flavored waters. I occasionally treat myself to some coconut water, because I think it tastes very natural and yummy.

Flavored Water Makes a Splash Through 2023

One of the leaders in the flavored and functional water category is Hello Water with its line of flavored and fiber-infused water. Created with natural flavors, its line of water is available in either mixed berry, lemon lime, pineapple coconut, cucumber lime and orange mango.

These 4 Flavored Waters Aren't as Healthy as They Seem

There's no reason to believe that any water with an ingredients list longer than one item is actually water. Further, if something claims to be a healthy flavored water, you should be able to pronounce all of the ingredients names and find each and every item that is

listed in nature.
