The California Contractors State License Board (CSLB) is a maze of obstacles that grows daily. We know every twist and turn and can show prospective California contractors the most direct way to obtain a California Contractor license.

Obtaining a Contractor's License in California

California contractor licensure is regulated by the Contractors State License Board (CSLB), a state government entity that also protects consumers and regulates contractor activity. In addition to administering license exams, the CSLB investigates complaints and provides administrative services to contractors and their customers. It is also responsible for seeking criminal and civil actions.
