This family tree book is really made for a couple who are researching their family history or to pass down to their children. I was looking for a book to record just my family tree. I was looking for a book to record just my family tree.

Designing and Printing for a Family Tree Book - lifewire.com

Pedigree charts and family group records are an important part of genealogy, but for a family history book, it is the narratives or stories that bring the family to life. Creative formatting of narratives in your book make it more attractive. Here are a few tips for you to use when you are formatting your book.

Family Tree by Barbara Delinsky - Goodreads

The novel Family Tree by Barbara Delinsky was recommended by my school librarian. I figured that I would give it a shot as the plot sounded incredibly interesting, but unfortunately it did not live up to the librarian's great review. I think that the novel was decent but held a lot of potential that wasn't thoroughly developed by Delinsky.
