The "supernatural" Book Of Monsters, Spirits, Demons, And ...

The book presents some interesting facts about creatures, spirits, or demons that the two brothers hunt during each show, as well as origins of words and intercultural connections between many entities. It is a fun read with great illustrations, written from the perspective of Sam and Dean. I certainly recommend it!

The Supernatural Book of Monsters, Spirits, Demons, and ...

A fun book to read with fascinating descriptions of many creatures, demons, monsters, etc. It was light reading. It was light reading. The perpetually changing point of view was distracting and hard to follow.

**Ghouls - Super-wiki**

A ghouL is an undead supernatural being originating from Arabian folklore. A ghouL or gh I (which translated from Arabic means "demon") is known to inhabit cemeteries or other types of burial grounds; in lore they are known for preying on young children, drinking blood, stealing coins, and most famously consuming the flesh of the dead. It's in eating the dead they are able to then assume the
