[12 Reasons the Common Core is Bad for America's Schools](#)

The Common Core is all about foolish consistency and runs a super-freeway through all the little hills and dales of student individuality. It represents a top-down approach to education reform. While supporters proclaim that the Common Core is a set of standards, not a national curriculum, seasoned educators know otherwise.

[What Common Core is all about, by Dean Gotcher](#)

Therefore Common Core is that which all children have in common, which is to be propagated, negating that which makes them different, i.e. negating that which divides. For man or child, common to all is that which is of the world: "For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life .

[Common Core State Standards Initiative - Wikipedia](#)

The Common Core State Standards Initiative is an educational initiative from 2010 that details what K-12 students throughout the United States should know in English language arts and mathematics at the conclusion of each school grade.

[Top Ten Things Parents Hate About Common Core](#)

This is the year new national Common Core tests kick in, replacing state tests in most locales, courtesy of an eager Obama administration and the future generation's tax dollars.
